

Highland Eco-Congregation Network
29th September 2014, 7.30 – 9.00pm
Urray and Kilchrist Church, Muir of Ord

AGENDA

- 1. Welcome and introductions**
- 2. Opening prayer**
- 3. Refurbishment – making your church more eco and people friendly!** A look around Urray and Kilchrist Church to find out more about their refurbishment project: how they went about it, where the money came from and what benefits there now are for the congregation, its work in the community and the environment.
- 4. Networking:** an exchange of news and views about where you are on the eco-congregation journey. If you are just starting out, or if you have already undertaken some projects this is a time to encourage and inspire one another!
- 5. Dates and Topics of next meetings**
