

Wonder

Beloved,
Source of all that is,
let me never cease
to wonder
at Your creation.
Let me never cease
to marvel,
even if I see
these same creatures
every day.
Let me never cease
to be amazed
at the way a heart
moves blood through veins,
the way cells
exchange nutrients,
and waste is carried away,
the way muscle and sinew
cause bones to move,
guided by messages
from a million nerves.

Let me never cease
to stand in awe
that stones
shaped over millennia
now line the path
to my front door,
and trees
that seem to be dead
put forth new blossoms
in the spring.
Beloved,
Lover of all that is,
keep my eyes and heart
open
always
to Your wonders.
