

Season of Creation 2026

Praise the Lord!

Father God, clothed in splendour and majesty,
Lord Jesus Christ, bright shining light of life,
Holy Spirit, indwelling power of God.
We bless and worship you.

Creation speaking God,
At your word light sprang into being,
At your command dry land arose from the chaos waters.
You alone are the author of creation,
For your glory and praise
all creation moves and has its being.

Abundantly generous God,
From your hand the fresh water flows in the valleys,
The golden grain sways in the gentle breeze,
All that moves upon your creation
is fed by your gracious hand.

Father, Son and Holy Spirit,
Have mercy upon us,
We do not recognise you as the unique creator,
We do not serve and care for your creation
as you command us,
We do not live in harmony with all you have made.

At the cross of the Lord Jesus,
May we be forgiven for these and all our sins.
Through the empty tomb of the Lord Jesus
May we rise to the new life of the Kingdom of God.

Renew in us a commitment to care for your creation.
Restore us to fellowship with all your creation.
Transform our lives that we may serve your creation.
May we and all creation walk in all your ways,
Displaying your glory.

Father, Son and Holy Spirit,
Be powerfully at work within us,
Be powerfully at work in all you have created.
May all things, now and always,
Praise the Lord! Amen
