Let the islands sing for joy to God our Creator!

Let the islands sing for joy to God our Creator!

Let the seas sing of your unfathomable greatness,
Let the knitter sing of your intricate patterns at work in creation,
Let the selkies (seals) sing of your elegant grace,
Let the fiddler sing of your exquisite skill,
Let the orca sing of your majestic presence,
Let the crofter sing of your generous provision,
Let the draatsi (otter) sing of your unbounded playfulness,
Let the sailor sing of your Spirit which directs us,
Let the puffin sing of your loving commitment,
Let the mirrie dancers (aurora) sing of your colour and movement.

Let the islands sing for joy to God our Creator!
